Lenore Denbrok

My name is Lenore Denbrok and I have lived in Saltcoats for the last 39 years. It has been a wonderful community to live in and to raise our three daughters. The great community spirit has always inspired me – the involvement of so many community members in the many activities that have happened here over the years is just amazing.

I have 12 years of experience as a school trustee both on the local Saltcoats School board and also on the district Yorkdale school board. I was chairman of that board for several years as well as the district representative to the Saskatchewan School Trustee Association. I also served on a provincial aboriginal education committee briefly. This experience will help me take a broad perspective when looking at local issues regarding priorities and planning for town council decisions.

I have been a piano teacher for most of my years in Saltcoats and have just retired from that profession. It has been a great privilege to share my great love of music with many, many children in Saltcoats, Yorkton and area.

Involvement in the community and being able to give back to a community that has been such a special place to live all these years is very important to me. I hope to be able to continue to contribute in the capacity of Town Councillor and ask you to support me in the by-election.

Kelcey Harasen

Town leaders need to be forward thinkers, problem solvers, and hard workers. They need to have passion and truly care about their community and the people in it. They need to dream big, make goals, have big ideas and follow through on them. They need to speak their mind, ask the hard questions and be an advocate for residents. They need to build rapport, excitement and a sense of community.

It's time to start voting in "leaders" who are willing to get out there and get the work done, not "councillors" who are good at sitting around a table talking about hard work.

Saltcoats residents' questions and concerns are important to Council and Administration. If you would like more information on Bylaws, Policies, or events happening around town stop at Town Office or call 306-744-2212

All Terrain Vehicles within the Town of Saltcoats and the Saltcoats District Regional Park

Please remember that the Town of Saltcoats and Saltcoats District Regional Park are public places, and All Terrain drivers must be aware of their surroundings and others. There have been several complaints of ATVs driving erratically around the town and the park. The park and town is here to be enjoyed safely by all who go out for a walk, ball game, a hike down Leflay Trail, or just to sit back and relax and look at the scenery. If you witness anyone who is driving around erratically please contact the RCMP at 306-786-2400.

Bylaw Enforcement

In order for the Town of Saltcoats to properly enforce bylaws, policies and regulations, we must be aware of infractions. Residents can submit a written complaint to the office, or if you want to retain your anonymity a picture can be sent of the infraction to the Town Office. Pictures can be dropped off at the office, mailed to Box 120, Saltcoats, SK, S0A 3R0 or emailed to saltcoats.town@sasktel.net.

Thank you to Robert Morgan for all his volunteer time for all the work he has done at the Saltcoats District Regional Park and around the town for other committees.

As you know Bill and Lynda Johnston have retired from operating the Four-Town Journal

Recently a group of great people from throughout their coverage area generously organized a retirement party for them, at which a goodwill donation box was set up. They were humbled by the not only the turnout for the get-together but by the donations which were made. They have decided that in appreciation of support and friendship they and their business have received for "our four towns" they have returned it in donations to the libraries in Saltcoats, Bredenbury, Churchbridge and Langenburg. The keys to the Four Town Journal have been passed to a much younger-Publisher, Ryan Stanko, who is too, very committed to the local communities.
