## “Resident Profile” Edith Maddaford

I was raised on a small farm near Yarbo, Saskatchewan. Walking 3/4 of a mile on good days, and riding behind a team on bad days, I attended St. Elizabeth country school. With desks circled around the huge stove to keep us warm, I decided that a teacher was what I wanted to be. I graduated from Esterhazy High, Teacher's College in Regina, and the University of Saskatoon. I taught grades 1 to 8 in the Crescent country school, grades 1 to 5 in Dunleath 2 classroom school at Dunleath, the grade 1 in Saltcoats until my retirement 35 years later. One of my greatest joys is seeing and chatting with former students and knowing what fine young men and women they have become. (What's scary is some have hair as white as mine).

A red-headed mechanic, home for the holidays, helped me with my first Christmas concert at Crescent school. In 1971, I married him. Stace and I bought a house in Saltcoats and raised our 2 children, Shane, a travel agent in Vancouver and Shannon, a CCA in Langenburg Care Home.

My family and teaching were my life, but I managed to work in curling, coaching girl's softball, volunteer of Saltcoats Recreation Board and for 21 years, a member of the Saltcoats Housing Authority.

Very important to my “life journey” was the little Anglican Church in Saltcoats. I was raised to know that God was always with me but my faith was strengthened beyond my expectations through the people I met and their outreach to others. I lost my parents and only sister all in 1983 and my husband in 2011. It was that strong faith that got me through those difficult times and is still doing so today in these difficult times.

Since my retirement, I've helped look after my grandchildren, Timothy and Ailsa as well as gardening, scrap booking, crocheting, and lately, staying safe.
